RE: Applications, Fees, and Award Attainment

After downloading and reading the Information Packet and the Application form, we hope you will decide to participate in the award progression. This is akin to the Girl Scout Gold Award or the Boy Scout Eagle Award, and is recognized worldwide. This is a positive personal growth program that only enhances your resume and your desirability in the job market.

You must begin at the Bronze level, and can progress as rapidly as you like through the process. Please complete the application for each new level you wish to pursue and send that level's application and \$25 fee to:

Richard Fox, Esq.  
26 Railroad Ave.  
Essex Junction, VT 05452

Richard will forward all the Vermont participants' applications and fees together to the Duke of Edinburgh Young American's Challenge. You will be enrolled through the Vermont chapter sponsored by the Miss Vermont Scholarship Organization, Inc. Richard is the Adventurous Journey Advisor should you need brainstorming or have questions. Once you complete your award level requirements, your journals must be returned to Mr. Fox so that the Awards Attainment notice can be sent to the Duke of Edinburgh Young American's Challenge. Award Ceremonies will be announced ahead of time to all participants. The first award ceremony is projected to take place on June 30<sup>th</sup>.
